

SECURE CAPITAL (POLICY CONDITIONS 1.0)

You can find out about the charges that apply to Secure Capital (Policy Conditions 1) here. How much we charge depends on the guarantee(s) you've selected, your choice of funds and when the bond was taken out. Your '*Policy schedule*' will clearly show what guarantee options you chose. Please note that our policy conditions allow us to change our charges in certain conditions.

ANNUAL MANAGEMENT CHARGE

The annual management charge is specific to the fund(s) you're invested in.

Funds	Annual management charge
UK Cash fund	0.50%
Core Portfolios	0.50%

GUARANTEE OPTION FEE

If the bond is invested in a mixture of the Core Portfolios and/or UK Cash fund, we'll calculate the percentage fee proportionately. Each quarter, we'll average the daily percentage fees and apply them to the bond.

We'll apply the fee as a percentage of the guaranteed capital value. The guarantee option fee will be deducted assuming there's a fund value. At the end of your guaranteed capital term, we stop deducting the guarantee option fee.
