

# SECURE LIFETIME INCOME (POLICY CONDITIONS 5)

You can find out about the charges that apply to Secure Lifetime Income (Policy Conditions 5) here. How much we charge depends on the guarantee(s) you've selected, your choice of funds and when the bond was taken out. Your '*Policy schedule*' will clearly show what guarantee options you chose. Please note that our policy conditions allow us to change our charges in certain conditions.

## ANNUAL MANAGEMENT CHARGE

---

The annual management charge (AMC) is specific to the fund(s) you're invested in.

<b>Fund</b>	<b>AMC (per year)</b>
<b>Core Portfolios</b>	0.75%

You may also have invested in our Create range. For details of the AMC applying to the funds within this range please contact us.

## GUARANTEE OPTION FEE

---

If the plan is invested in a mix of funds, we'll calculate the percentage fee proportionately. Each quarter, we'll average the daily percentage fees and apply them to the plan.

We'll apply the fee as a percentage of the income base. The guarantee option fee will be deducted for the lifetime of the plan, assuming there's a fund value.

<b>Fund choice</b>	<b>Guarantee option fee (per year)</b>
<b>80/20 Core Portfolio</b>	0.60%
<b>70/30 Core Portfolio</b>	1.00%

## 60/40 Core Portfolio

1.50%

If you're invested in our Create range, your guarantee option fee depends on the percentage you invested in the Category B and C funds. Where the percentage that's actually invested doesn't directly match a percentage in the table below, we'll recalculate the charge. Your financial adviser will be able to give you more information about this.

Category B and C percentage holdings	Guarantee option fee (per year)
20% and less	0.60%
30%	1.00%
40% and higher	1.50%

## CURRENCY CONVERSION CHARGE

---

If the premium isn't paid in UK Sterling and we need to convert the currency, we'll deduct a currency conversion charge. This will be a percentage of the amount being converted. Your '*Charges schedule*' will give you full details of this charge.
